

Job Description –Math Interventionist

Department: Education
Reports to: Principal or Assistant Principal
Status: Full Time

Mission

Peace Preparatory Academy is seeking staff members committed to our mission of being a place that educates the whole child, supports the whole family, and provides growth and change opportunities for the whole community in a Christ-centered learning environment.

Job Summary

The Math Interventionist enhances math instruction by assessing student performance, providing tailored support as needed, and collaborating with teachers and administrators to consult on math curricula.

Key Traits

- A strong desire to be a part of a school in its foundational years.
- Demonstrated ability to work effectively informally and formally with individuals and families of diverse make-ups, cultures, and communities.
- Commitment to Christian character, spiritual growth, and maturity.
- Alignment with Peace Preparatory Academy’s programmatic pillars: developmentally appropriate, trauma informed, culturally relevant, spiritually formative

Responsibilities

- Screen and assess students to establish proper performance level.
- Provide intensive instruction to struggling students individually or in small groups within or outside of the students’ classrooms.
- Analyze school and student data and recommend modifications to instruction and intervention for students for meeting and exceeding student achievement goals.
- Monitor student progress and arrange for academic interventions based on formative and summative assessments.
- Serve as a resource in the area of mathematics for teachers, administrators, and families.
- Collaborate with teachers to ensure student mastery of standards by assisting with data-driven instructional planning, integration of technology, and implementation of research based strategies.
- Coordinate in-person conferences with parents/guardians and teachers to review student’s progress.

- Equip and utilize volunteers for additional support and implementation of research based strategies.
- Provide short-term coverage (substitute) for classrooms when the teacher is absent.
- Maintain prompt and regular attendance in accordance with paid time off (PTO) policy.
- Perform other duties as assigned by principal and immediate supervisor.

Education

- Bachelor's degree from an accredited institution.

Qualifications

- Knowledge of research-based best practices and interventions in the area of mathematics.
- Ability to promote collaborative planning.
- Ability to analyze student and school data.
- Ability to effectively develop and deliver content-specific professional learning.
- Ability to be flexible and adapt as needed between in-person work environments.

Benefits

- Health Insurance
 - Medical Insurance for employees (employer paid).
 - Mental health (Therapy) reimbursement up to \$240/ month
- 403(B) Teacher Retirement Plan
- 10 Paid Time Off days in addition to school and holiday breaks

Working Hours

- Monday - Friday 7:30 am -3:30 pm (Subject to change)

Salary Range

- \$47,455 - \$79,715
- Depending on years of teaching experience and level of education

This job description is intended to accurately reflect the duties, responsibilities, and requirements of the position. It is not intended to be and should not be construed as an all-inclusive list of all the responsibilities, skills, or working conditions associated with the position. Management and administration reserves the right to modify, add, or remove duties and assign other duties as necessary.

Peace Preparatory Academy does not discriminate on the basis of race, color, religion, national origin, age, disability, or gender in its employment practices, student programs and dealings with the public.
